Meet our New Teachers!

We are so thankful for the qualified team of dedicated Christian servants that God has assembled here at NCS. Our staff team is stronger than ever, with the exciting addition of five new teachers for the fall. Each of these ladies will bring gifts, expertise, and experience that will strengthen our entire program. We hope you will welcome them warmly to our school family.

Janine Carline

Janine is a Southern California native, and she is excited to be starting her teaching career here in Newport Beach. She was the valedictorian of her high school class, graduating with honors. She has completed her Music Education Major, with an emphasis in elementary education. While in college, Janine was a featured soloist in a traveling college chorale and is an accomplished pianist. She has worked as a private piano teacher and as an extended care teacher at Challenger School and Palo Alto Community Child Care in Northern California. In addition to kids and music, Janine enjoys baking and cooking, and hesitantly admits that she is sometimes a “shopaholic.”

Tiffany Cashman

Tiffany grew up in a pastor’s home, spending most of her formative years in Pennsylvania. She recently graduated with her Elementary Education degree from West Coast Baptist College. While in college, she played intercollegiate volleyball, where she was a four-year starter. She was a standout high-school soccer player as well. Tiffany also served in a traveling singing group that ministered in churches and schools throughout America. Coming out of college, Tiffany was recruited by several large Christian schools across the country. We are thankful that she has chosen to serve here at NCS. Tiffany loves outdoor activities like kayaking, hiking, and swimming.

Janine Goltiao

Janine is moving from the Bay Area to join our team after several years as an elementary teacher at the prestigious Stratford School in Northern California. Her most recent 4th-grade class had a 100% re-enrollment rate, a resounding testimony that parents and students were very pleased with their experience in her class. Janine comes from a large extended family, with more than 100 Goltiao aunts, uncles, cousins, nieces, and nephews living in California. When asked to share an fun fact about her interests and hobbies, she replied, “I love long walks to the fridge.” :-)

Carynn Harter

Carynn earned her Bachelor of Fine Arts in Studio Art from Bob Jones University in South Carolina in 2014. Since that time, she has worked with hundreds of kids, serving in the Pennington Child Development Center in South Carolina, as well as being named the Program Director for Wolf Mountain Christian Camps in Grass Valley, California. Most recently, she has been teaching and overseeing extracurricular activities for Santa Clara Christian School. Carynn loves to camp and one of her hobbies is bookbinding.

Christine Harter

Christine worked toward her Business Administration Degree at Bob Jones University before sensing a leading from the Lord to change her major to follow her passion for children and pursue her Elementary Education Degree at Liberty University in Lynchburg, Virginia. Christine grew up in a Christian home with four siblings. For the past three school years, she has served as a Teacher’s Assistant and Teacher at Santa Clara Christian School. She also instructed 18 students, ages 5 to 11, in private piano lessons. She has worked with several school drama productions, and loves to see kids develop their gifts both in and out of the classroom. Christine enjoys teaching herself new musical instruments, but mainly playing guitar and piano. She also loves hiking and camping.
