WHAT PARENTS CAN EXPECT FROM NEWPORT CHRISTIAN SCHOOL

We are delighted that you have enrolled in Newport Christian School! This handbook is to help you to know what to expect from Newport Christian School (NCS) as well as what we will expect from our students.

The NCS staff and administration are committed to partnering with you with the education of your child as well as overseeing their spiritual development.

This is what you can expect of us:

- Teachers that view parents as the primary educators of their children under God. Christian school teachers receive their authority to teach children from the parents.
- Written or personal communication from the teachers to allow parents to provide added assistance to the student if needed.
- Rigorous educational instruction at a level which students can succeed with reasonable effort. Reasoning, critical thinking skills, and internalization of Christian values are important educational goals.
- Daily Bible instruction; every subject taught is integrated with the truths and Christian values contained in the Bible. Prayer is an important part of every student's school day.
- Effective, well-trained Christian teachers who love the Lord and your child.
- Nurturing classrooms managed by teachers who are committed to academic excellence as well as to modeling the fruit of the Spirit in their lives.
- The teachers teach Biblical views which are doctrinally aligned with the Bible; that Jesus Christ is the risen Son of God and the only way to salvation, that the loving grace of our Lord Jesus extends to all who would "call upon the name of the Lord."
- All students are taught to seek forgiveness for sin, accept Jesus Christ as their Savior, take personal initiative to study God's Word and make it their primary objective to love, serve, and honor Jesus Christ.

We count it a privilege to work alongside you in preparing your child(ren) for the future.

OUR MISSION

Our desire is to develop a positive and fruitful relationship with every school family.

This handbook is intended to give direction and understanding concerning our general goals and standards. Complete attention and cooperation by our school families contribute to the building of a partnership that honors the Lord and strengthens homes. Therefore, we request that each family become familiar with this handbook and abide by its guidelines. *At any time during the school year, the administration reserves the right to amend or clarify certain rules relating to the school operations and student conduct.*

MISSION

The mission of NCS is to provide a distinctively Christian education, which starts with leading students to a personal relationship with the Lord Jesus Christ. We provide a safe, loving Christian environment where students are challenged academically and encouraged to follow the Bible as the reference point on all matters of morality, character development, and personal responsibility.

VISION

- NCS is a community of learners where knowledge is applied and all students and staff are supported in continual personal and spiritual growth, scholarship, and leadership.
- NCS provides an environment that is Christ honoring, safe, welcoming, and challenging and where everyone has a voice, a sense of belonging, and school pride.
- NCS actively reaches out to our parents and families with the gospel, involving them in the learning process.

PURPOSE

NCS is a ministry of the Liberty Baptist Church (LBC) of Newport Beach, California.

The school's primary purpose is the teaching and training of young people in a rigorous academic program from a biblical perspective. NCS was founded to support parents in the rearing of their children and to provide a Christian alternative to the education offered in most other schools, both public and private. We stress wholesome Christian living, including personal salvation through Jesus Christ, obedience to the Word of God, and the use of our talents for the glory of God. The goal of the school, as it relates to the school's mission, is to help meet the physical, intellectual, emotional, social, and spiritual needs of each child.

PHILOSOPHY

NCS is dedicated to the philosophy that Christian education is the best education. We recognize God as the supreme Source of all knowledge and wisdom. All academic subjects and co-curricular programs are taught from a biblical perspective. NCS wants to partner with likeminded parents in training children to be well-rounded, academically excellent, and spiritually and socially mature for the glory of God. Because the Lord commands young people to be good examples of believers in Jesus Christ, guidelines for personal habits and dress are provided. The principle of biblical self-discipline is the basis of our disciplinary structure. In addition to self-discipline, a young person must have Bible-based wisdom, understanding, and knowledge to honor the Lord Jesus Christ. Therefore, the Bible is not substituted for any academic subject; rather, it is integrated into the total educational program.

Because NCS is a ministry of LBC of Newport Beach, it adheres to all of the doctrinal beliefs of LBC. These would include, but not be limited to:

- The Bible is the only infallible Word of God. For the sake of textual reliability and unity we have chosen to use the King James Version of the Holy Bible. The Bible is central to all our teaching in the classroom as well as in weekly chapel services. (Psalm 119:89; 2 Timothy 3:16)
- Jesus Christ is the one and only Savior of the world. He was God in human form and as such died as the payment for our sins, not simply as a martyr or example, but as our Savior. We believe He resurrected after three days and is coming back to earth someday. (John 1:14; Acts 4:12; 1 Corinthians 15:3,4)
- Marriage is a God-ordained covenant between a man a woman and is intended to be a lifetime commitment. (Genesis 2:24, Mark 10:6-9)
- Life is the gift of God, beginning at conception and is precious in the eyes of the God who gave it. (Psalm 139:16; Jeremiah 1:5)

FINANCIAL POLICIES

- Tuition is an annual fee paid in full in August of the current school year, or made in ten equal monthly payments, from August through May. A late fee will be charged if tuition payments are made after the due date.
- Tuition payments are made using Smart Tuition.
- If a student enrolls after school has begun, the annual tuition will be pro-rated based on the month of enrollment. The first monthly tuition payment will be changed accordingly.
- Registration and book fees are required for each student who enrolls. Registration fees are non-refundable and non-transferable.
- Any monies (e.g., tuition, daycare, or late fees) due from the previous school year must be brought current prior to registering for a new school year.
- Smart Tuition will assess a fee for all bounced checks or rejected electronic payments. You will be contacted to bring your account current. Once any school payment (e.g., tuition or daycare) becomes fifteen days late, the student may be automatically dropped from enrollment and may not be allowed to attend class or obtain class work. Parents will be notified concerning their unpaid bill and will be given an opportunity to make the necessary payment before the child is dropped from enrollment.
- If a student enrolls in school after school begins the fee for the first month in attendance is the full month rate. A daily prorated rate is not used.
- It is required that a minimum of a two-week **written** notice be presented to the school administration prior to withdrawing a student from NCS. Tuition is not prorated for attending a partial month of school. If a student is enrolled in school during any portion of a month prior to their effective withdrawal date, the full month of tuition is required. Example: February 1st a two-week notice is given for withdrawal from school on February 15th. February tuition is due in full. February 21st a two-week notice is given for a withdrawal from school on March 7th. March tuition is due in full.

Daycare Policy

Your child may be on campus from 7:45 – 3:15 without any additional charge for daycare. Daycare privilege can be lost if a parent continually picks up late or if the child does not follow the daycare rules.

NOTE: If a student attends daycare for any portion of time they are subject to the appropriate fees.

Fundraisers

NCS is endeavoring to keep low tuition rates for the benefit of each parent. For that reason, we operate two annual fundraising programs (fall and spring) and anticipate each child and parent’s participation in helping us raise the additional funds needed for designated school projects. The sports program may also hold fundraisers.

STUDENT PICK UP & RELEASE

General Drop Off Procedures

- School begins at 8:00 for 6th Grade and up, 8:15 for 5th Grade and below. Students may be dropped off and enter their classrooms 15 minutes before the start of school.
- Students who arrive earlier than 7:45 a.m. will be signed into extended daycare. (Morning extended care is available from 7:00 a.m.)
- On rainy or unusually cold days, children can be dropped off in their classroom.
- Students returning after an illness may check back into school through the school office with verification of an excused absence (parent or doctor's note, etc.)

General Release Procedures

- School dismisses at 3:00 P.M. for students 5th Grade and below, 2:45 for students 6th Grade and above. When school is over, a teacher will accompany the students to the designated dismissal area.
- If the child is not picked up within 15 minutes of their dismissal time, they are automatically signed into afternoon extended daycare. (see Daycare fees) Extended daycare is available until 5:30 PM. Students on campus outside of the extended daycare time may be charged a late fee.
- Parents will be required to sign out their child to release them from the daycare worker. Only previously approved parents or guardians can pick up children. An adult will be asked to show ID or have their license plate checked to confirm those approved to pick up the child. Non-approved persons will not be allowed to pick up the child; instead, the parent will be notified and will have to make other arrangements.
- Only previously approved parents or guardians can pick up children. An adult will be asked to show ID or have their license plate checked to confirm those approved to pick up the child. Non-approved persons will not be allowed to pick up the child; instead, the parent will be notified and will have to make other arrangements.
- On rainy or unusually cold days, the students will remain in their classroom and can be picked up there.
- Parents picking up students during school hours are required to go to the school office for identification and a student release form first. No student will be released from classrooms during school hours to anyone without a Release slip from the office.
- If a child is to be picked up by someone besides a parent or someone not already listed as authorized to pick up on the Emergency Data Card, **a note must be sent in advance to the school office.** The child's parent must write the note, and a definite verification on the part of one of the parents must be obtained to guarantee the individual's identity.

- **Advanced** written parental permission from a parent of each child must be given for a child who wishes to go home with a friend.

Tardy or Early Pick Up

- If a child arrives at the school after their designated start time, the parent and child must come to the school office to fill out a Tardy slip and then send their child to the classroom.
- If a child has a doctor appointment and needs to be picked up during regular school hours, the parent must come to the school office and ask for a Release slip.
- To reduce unnecessary interruption to the learning environment, NCS has implemented “**Protected Time**” from 2:30-3:00. During this time students will not be called out of class to be checked out of school nor will teachers be interrupted with messages. Please take the policy into consideration when making appointments. Emergencies will be handled on a case-by-case basis. Excessive student check outs, whether they fall in the protected time or not, will be considered reason for disciplinary actions.
- NCS staff will collect students who are being picked up early from school **ONLY** when the parent arrives at the school office and requests and early release. Please do not call the front office to get your student ready for pick up.

For more information regarding the tardy policy see page 13.

LUNCH GUIDELINES

General Lunch Guidelines

- Lunch takes place in the designated lunch area.
- We currently have a hot lunch program. A calendar of lunch options will be available. Parents should provide their child with a healthy lunch; we discourage parents from sending candy or soda in their children's lunches.
- Because we have no way to know all allergies, children are not allowed to trade food with one another. We ask that all parents be especially sensitive to peanut allergies.
- Parents are allowed to bring lunch to their child. The lunch should be clearly marked with the child's name and placed in the designated space. It is the responsibility of the student to pick up his/her lunch at the appropriate time.
- For the safety and protection of all students, delivery of lunches using outside companies (such as Uber Eats) is not permitted.
- During the morning recess hour, children may bring money to purchase treats from the "snack bar."

Off-Campus Lunches

- Both the teacher and the office must be notified, and students must be checked in and out through the office.
- To ensure the least disruption of the classrooms, please return your child to school by the specified ending of lunch and lunch recess.
- Any student returning to campus late from lunch will need to obtain a tardy slip from the office before returning to class.
- Students with a driver's license are not permitted to leave campus during school hours.

IMPORTANT INFORMATION

Fire Drills

- The first fire drill will be announced in advance to faculty. After the first fire drill, others will follow unannounced.
- Each classroom will have a diagram of the property (posted near the exits) with that classroom's exit marked in red. Students should leave the classroom during a drill with no talking, no running, no pushing, but in an orderly fashion. The first student is a key person and should lead the class. If the door is not already propped open, he/she should do this. The last student exiting the room should close the outside door. Students should not stop until they reach their designated area. It is important that students follow the exact pattern of the diagram for exiting. Teachers will walk near the end of the class line. After the class reaches its designated area, the teacher will take roll. Each class will wait for further instructions from the administration.

Lost & Found

The lost and found is in the lobby. It is cleaned out at the end of each month and leftover items will be discarded or donated to charity. Every effort will be made to return items with clearly marked names.

Photo & Video Policy

It is common practice for the media department of Newport Christian School to take video footage and photographs at school events and around the school campus, including but not limited to class activities and field trips. These photos may be posted on the school's website or used in its publications. Attendance at NCS constitutes consent unless a family specifically chooses to opt out using the form provided.

ATTENDANCE REQUIREMENTS

Absences

Administrative Absences:

An administrative absence is granted when the student's family has arranged ahead of time (at least one week) with the administration and the teacher to be absent for a period of time. Permission will be granted by the administration if all work that will be missed is made up before the period of absences begins.

Please note: Administrative absences will be granted only in rare and unusual circumstances, as determined by the administration. If required work cannot be accomplished prior to the requested departure date, the absence may be considered unexcused. Parents are highly encouraged to schedule vacations and family trips to coincide with school holidays and the summer vacation – for the children's sake.

Excused Absences:

Absences due to sickness, medical/dental/legal appointments, medical emergencies, or bereavement are excused absences. In these cases, the student may have the same number of make-up days as excused absences to complete any class work, homework, quizzes or tests he may have missed. Any student who misses two days in a row for sickness must provide a valid doctor's note.

(Please note that Newport Christian School has a 24-hour illness policy: If any student has a fever, vomiting, or diarrhea, he must be symptom free for 24 hours before he will be readmitted to class. This also applies to any student that we must send home with these symptoms.)

In the event the administration or the child's teacher believes it to be in the best interest of the child's health or that of others, the parents will be called and requested to pick up their child from school.

A written excuse must be provided the day following the absence, which contains the following information:

Date(s) absent from school
Reason for absence
Parent's signature

The written excuse should be presented to the school office staff before school begins. A phone call does not take the place of a written excuse since the notes are kept for verification.

Unexcused Absences:

Any non-administrative absence or absence not listed in the "excused" category above is considered an unexcused absence. In the event the absence is unexcused, it is not possible to make up class work, homework, tests or quizzes.

Absences without a written excuse will be recorded as unexcused. (These will only be changed to excused if a proper note is brought in to the school office or emailed within 24 hours of the absence.)

Due to the nature of the standardized testing, students who are absent during this time will not be permitted to make up testing, and that student's scores may not be counted with the class score.

Absences and Test Taking

Regarding absences and test taking, students are to make every effort to attend classes on test days. We understand that there will be times when sickness or schedules will not make it possible, but these should be the exception and not the rule.

Tardies

All students must be in their classrooms at the designated start times. A tardy student must first check in at the school office. Parents will receive a notice from the office when their child reaches four unexcused tardies.

Birthday Day Policy

To properly plan, we ask that at least **two weeks written notice** be given for any party that will take place on campus.

- If invitations are to be passed out at school, you must invite the entire class to your child's birthday party.
- If the student's entire class is invited, a party may be held on school grounds during a free period or immediately following the school day, provided the proper procedures have been followed.
- Teacher/Administration must approve any school-hours party in advance of the event. The parent(s) are fully responsible for set up and cleanup of the area.
- All outside entertainment for on-campus birthday parties must be approved by the administration in advance of the party. The administration reserves the right to bar any entertainment that it feels does not reflect the goals and standards of the school.

DIGITAL DEVICE POLICY

Newport Christian School understands that digital technology has become an ever-increasing part of the daily lives of students and parents alike. Smartphones, tablets, smart watches, etc. have and will continue to aid in the educational process.

However, they must be used with discretion. Our goal is to help students learn to use these devices appropriately, ensure the privacy rights of all, maintain academic integrity, and limit distractions to the learning environment. Because of the rapid rate of change in this area, the administration reserves the right to amend this policy at any time.

- Students may possess a device on campus as long as that device does not disrupt the educational environment and is not used for illegal or unethical purposes. Students in violation of this rule will lose the privilege of having a device and may be subject to further disciplinary actions.
- Devices are to be kept turned off and in the student's backpack or locker from the time they are dropped off and until they are checked out from school. This includes Day Care times.
- Devices are not to be used during field trips.
- Students are not authorized to use their personal devices to access the school's wireless network unless prior permission has been granted. That permission is for the express stated purpose and time specified.
- Any student who needs to be contacted must be reached through the School Office. After school, students who need to contact parents must get permission from the office or a teacher and call with the adult present.
- Demerits will be issued to students whose devices "ring" during class or students who use their phones for non-emergencies. "Forgetting" to turn off a cell phone is not an excuse.
- Students may use their cell phones to call parents in an emergency situation (earthquakes or other disasters), but even then, they must obtain permission from a teacher or authorized staff member.
- Use of a device during a test for any reason (i.e., text messaging, photos) will be considered cheating, and appropriate academic and disciplinary action will be taken at the sole discretion of the Administration.
- The school reserves the right to determine, at our sole discretion, the appropriate consequences in all disciplinary cases based upon the facts of each case. Further, the school will consider previous disciplinary history when making these decisions.
- Repeated infractions of this policy will be considered defiance and will be dealt with as such.
- Families consent to have the administration access a student's phone and accounts if there is a reasonable cause to do so.
- The Administration reserves the right change or modify this policy as may be needed to cover specific situations that could not have been foreseen as of the writing of this policy.

HEALTH

General Health Guidelines

- Newport Christian School requires that each child fill out a Medical History form and Emergency Card prior to the start of each new school year. No students entering Transitional Kindergarten, Kindergarten, or the 7th Grade will be allowed to attend classes unless their health records are complete and up-to-date. Changes of address, phone numbers, insurance and any other pertinent information should be updated throughout the year as necessary. Parents should promptly inform the school office of any medical condition that may impact their child's experience at Newport Christian School. Any student who misses two days in a row for sickness may be asked to provide a valid doctor's note.
- Students should not come to school if they are ill. Children may not come to school if they are experiencing any of the following symptoms: diarrhea, vomiting, fever, rash, or a deep cough. If a student contracts a communicable illness such as chicken pox, strep throat, or pink eye, the student should be kept at home and the school office should be notified.
- If a student is injured at school or becomes ill while at school, the parents will be contacted. Parents may be asked to pick up their child promptly.

Fever Policy

If a child has a fever, the parent will be contacted and asked to pick up the child.

Do not send your child back to school the next day. The student is not to attend school until he/she is fever-free for 24 hours without the use of acetaminophen or ibuprofen. This policy is for the protection of your child and the other students.

Guidelines for Non-Prescription Medicine

- Please do not send cough drops, Tylenol, etc. with the student. Instead, parents should bring it to the school office and complete a Permission to Administer Medication form.
- All medicine must be in the original container.
- A parent/guardian must provide a written request along with any special instruction for the administration of the medicine.
- This authorization is effective for the school year for which it is granted and must be renewed annually.

Guidelines for Prescription Medicine

- Prescription medicine is not permitted to be given by anyone other than by the Administrative Assistant.
- The prescription must have a physician's written order.
- Any changes to a medication dosage must be accompanied by an updated Rx prescription label. No outdated medication prescription labels will be accepted.
- The prescription medicine must be accompanied by a label affixed by a pharmacy or physician showing:

The name of the student

Total daily dosage and schedule of administration

Physician's name

Name of medication

STUDENT DRIVING POLICY

Students driving to and from NCS must have copy of a valid driver's license, current registration, and insurance on file in the school office. Driving on campus is a privilege and not a right. In order to drive to school, students shall follow the rules and guidelines set forth below:

1. A student who drives to school and is tardy three times may have driving privileges suspended. After 20 consecutive days of perfect attendance (not tardy or absent), the student may petition the administration to restore driving privileges.
2. Students should park in the area designated by the administration.
3. Vehicles shall be locked at all times while parked on school property.
4. Students should not be inside their vehicles during the school day.
5. Students must adhere to the posted speed limit on campus.
6. Student drivers are limited to blood relatives riding to and from school with them. All passengers (including blood relatives) must have written permission on file in the school office from their parents/guardians and the driver's parents/guardians.

The school administration reserves the right to suspend/revoke any student driver's privilege at any time.

DRESS CODE

Newport Christian School bases its dress code upon two criteria: biblical standards of modesty (1 Timothy 2:9 & Romans 12:1) and the desire for a neat and clean appearance.

General Dress Code for All Students

General Appearance: Students must be in school uniform and well-groomed upon entering the campus at the beginning of the day.

Tennis shoes and socks are considered general dress code for both boys and girls. Dress shoes and sandals with a strap are also approved footwear.

School Uniform:

NCS has a dress code as described below:

- We presently use ***Vicki Marsha uniforms*** for the girl's jumpers/skirts. Girls in grades 3-6 may wear either the jumper or skirt. Polo shirts with the school logo are required.
- Only NCS outerwear may be worn on during school hours (jackets, hoodies, etc.)
- Girls in grades 6-12 may wear the plaid skirt from Vicki Marsha or a solid navy blue, black or khaki knee-length skirt which may be purchased elsewhere. No tight fitting skirts. Polo shirts with the school logo are required.
- Students (TK-2nd) are required to purchase the activity T-Shirt for field trips and which are available in the school office, and knee length athletic shorts.
- Boys uniform pants (blue, black or khaki) from a variety of stores (no cargo pants, blue jeans, or skinny jeans).
- The polo shirts with our school logo are available for purchase in the school office and available at Back-To-School Night.
- Inquire at the school office to see if there are any previously used uniforms at a substantial discount available.

Girls' Dress Guidelines

- **Jumper/skirt lengths should have a hemline no higher than the middle of the knee.** Parents should purchase these with a long enough hemline to account for growth throughout the year. Girls (TK-5th) must wear shorts under their dresses for modesty purposes on the playground.
- Pants (long or short) are not appropriate school dress for school-sponsored activities. Exceptions to this rule will be communicated prior to the activity where they can be worn.
- Leggings that look like pants are not to be worn. If tights/hosiery are not worn, socks must be worn and visible. (Socks and hosiery must be solid in color: red, tan, blue, black or white)

- Clean, comfortable, shoes must be worn. Sandals are permitted if they have a heel strap.
- Hair must be clean, feminine, and styled neatly in a natural color.
- Earrings in the earlobe are the only acceptable body piercings.

Boys' Dress Guidelines

- Polo shirt with the school logo and navy, black or tan long pants that are not too tight or too baggy must be worn. No blue jeans or cargo pants are permitted.
- Belts must be worn with all pants that have belt loops (unless pants have elastic waist for TK & K).
- Belts should be the correct length, not extending more than a few inches beyond the first belt loop.
- No jewelry, except watches or medical tags should be worn. (including necklaces, earrings, etc).
- Hair must be clean, tapered, off the ears and collar, and above the eyebrows. No “perms,” shaved, dyed, spiked, or extreme haircuts are allowed. Sideburns are to be no longer than the middle of the ear.
- Clean, comfortable, shoes must be worn with socks. Sandals are not permitted.

Chapel Dress:

- **Girls:** White blouse with uniform skirt or jumper with girls' tie.
- **Boys:** White oxford long or short sleeve shirt with tie and blue, black or khaki long pant. (Does not have to be school uniform tie.)

Students may not wear hoodies during chapel services.

If at any time a student does not meet these guidelines, a notice will be sent home. In certain instances, parents may be called to fix a situation before the student will be allowed to attend class. Parents should then take the appropriate steps to fix the situation. Corrections should be made as quickly as possible, but always within six school days. A student may be withheld from class until they can once again meet the guidelines. A student who continually fails to meet these guidelines may be subject to further disciplinary actions.

Dress code violations will result in the following penalties:

First offense	5 demerits
Second and consecutive offenses	10 demerits per violation

REPORT CARDS

Newport Christian School uses **Gradelink** to keep parents involved in their child's academic progress.

Report cards are issued approximately every eight weeks. The first quarter, parents will conference with the teacher **if requested** and will receive the report card at that time. The next two quarters, report cards will be published online via Gradelink.

The last report card is sent home at the end of the year, pending completion of all financial obligations.

Grades at Newport Christian School are designed to report to parents a student's academic and social progress. The school policy is that grades be awarded on a percentage and letter grade basis as follows:

A+.....100%	A.....93-99	A-.....90-92
B+.....87-89	B.....83-86	B-.....80-82
C+.....77-79	C.....73-76	C-.....70-72
D+.....67-69	D.....63-66	D-.....60-62
F.....0-59		

This system reflects quality of work turned in rather than natural ability.

Parents are encouraged to inform themselves about their student's progress by reviewing graded work as it comes home, knowing what the reasonable grade level expectations are, and checking with the teacher if any problem is suspected.

Originals of all files and records remain the property of Newport Christian School. Newport Christian School, upon request of a parent, will make copies of files if all financial obligations are current. Parents shall be required to reimburse NCS for the cost of copying student records requested by the parent. Parents who wish to view their student's records will need to make an appointment and allow up to five days to view the file with school personnel. For those files that have been stored for many years, there will be a thirty-day turn around period.

CRITERIA FOR HONOR ROLL

Principal's List

To qualify for Principal's List, students must have a 4.0 GPA for the grading period, as well as high marks in citizenship, social habits, and personal habits.

Honor Roll

To qualify for Honor Roll, students must have a 3.5 GPA for the grading period, as well as high marks citizenship, social habits and personal habits.

The semester grade is determined by averaging the two-quarter grades.

To qualify for any Honor Roll, the student must not have excessive tardiness to school. Excessive tardiness is described as 6 or more tardies in a quarter.

Grade Determination

- When averaging, the trend in which the grade is moving is used. If the first quarter grade is a "C" and second quarter is the "B", the trend is upward, so the average is a "B-". When the quarter grade exhibits a downward trend, "B" then "C", then the average becomes a "C+"
- All pluses and minuses are dropped in the semester averaging.
- If the two quarter grades cannot objectively be averaged, such as "C+" and "B-", the teacher will exercise his/her judgment based on knowledge of the child's work and attitude.

DISCIPLINE SYSTEM

A destructive, critical, and cynical attitude grieves the Holy Spirit and is destructive to Christian growth and fellowship. If at any time a student manifests a detrimental influence or spirit of controversy at the school or displays a spirit contrary to the purpose and principles for which the school stands, he is subject to expulsion even though he may not have broken any specific rule or regulation. We expect our students to abide by the spirit of the law as well as to abide by the letter of the law, before, during and after school hours.

Love & Logic

Love and Logic is a philosophy of raising and teaching children which allows adults to be happier, empowered, and more skilled in the interactions with children. Love allows children to grow through their mistakes. Logic allows children to live with the consequences of their choices. Love and Logic is a way of working with children that puts parents and teachers back in control, teaches children to be responsible, and prepares young people to live in the real world with its many choices and consequences.

Live School

Newport Christian School uses the Live School App to record and track student behavior. Parents and students can view teacher comments, discipline issues, and keep track of a students' points/demerits by logging in with a unique user name and password that can be obtained from the school office or the teacher.

At the start of each semester, each student's demerit record begins at zero. Parents will be notified each time a student accumulates 25 demerits. Once a student reaches 50 demerits, a mandatory meeting will be scheduled for the student and his parents with the administration.

Faculty may give demerits; however, demerits are reviewed by the administration.

Weekly demerits are accrued on a semester basis. An accumulation of 125 demerits in a semester can result in automatic expulsion and loss of credit. No expelled student will be readmitted without the invitation of the Administration. Any student who is expelled from NCS will not be permitted to re-enroll for a minimum of one full semester. If, after this time, the student wishes to return to the school, he will be required to meet certain conditions. These conditions include but are not limited to, an exemplary academic record and recommendations from a youth pastor or principal. If the Administration approves the student's return, the student will be placed on disciplinary probation for one semester. Expelled students will not be permitted to return to school unless a notable change in behavior and attitude is evident to the Administration.

The number system is designed to give the students and parents an objective picture of the students general behavior. Demerits are recorded on the student's official record and therefore become an important factor for future job and schooling credentials.

20 Demerits	Lunch, detention and parent contact
50 Demerits	Letter sent home, 1-day suspension
75 Demerits	Letter sent home, 2-day suspension
100 Demerits	Letter sent home, 3-day suspension

Suspensions

All suspensions are served out of school, and all work and tests missed on suspension day will be recorded as a 0%, F.

Any student expelled from NCS three times will not be permitted to re-enroll.

The Administration, in its sole judgment determines what is inconsistent with the religious mission or tenets of the school. The school reserves the right to modify the infraction list at any time.

*“He that walketh with wise men shall be wise: but a companion of fools shall be destroyed”
(Proverbs 13:20)*

Behavior

All issues concerning the merits and expulsion may be reviewed at any time by the administration. Situations may require varying degrees of punishment, and the administration reserves the right to evaluate these situations at their discretion. The penalty for these will be an administrative decision.
